

## 4G-LTE on Crout „Classic-SIM“

Dear customers,

we are delighted to inform you about the launch of 4G-LTE services based on our Crout Classic SIM cards.

The use for the 4G/LTE services should be possible from January, 1<sup>st</sup> 2020 on according to our [network coverage/zoning](#).

In case your devices are designed to use these networks, they are ready to connect without any further configuration in our portal.

Please do not hesitate to contact us for any further information or questions.

Best regards

Your Crout Team

we IoTivate!
